TRAIL SYSTEM OVERVIEW MAP

WHAT IS A RECREATIONAL PASSPORT?

The Recreation Passport is required for access to most DNR and state owned parks. You have the required park pass if you checked "Yes" for the Recreation Passport when you renewed your license plate at a Michigan Secretary of State branch office, self service station or online.

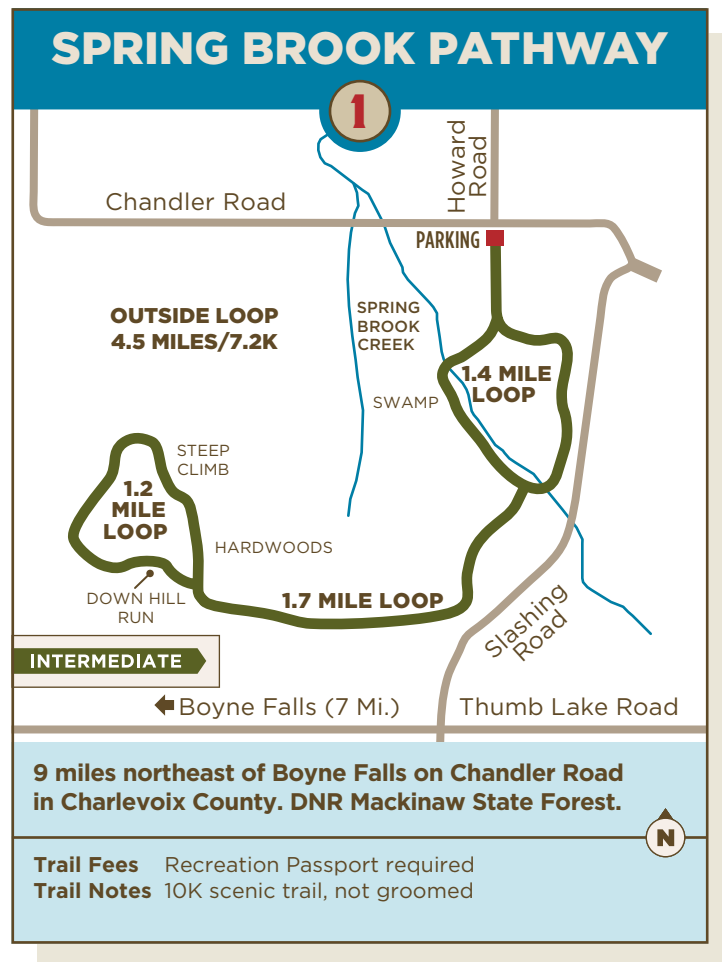

The proof of purchase is the two tiny "P's" printed at the top and bottom of your license plate tab, as well as the words "Recreation Passport" on your vehicle registration.

If you aren't from Michigan you can purchase it in advance at www.michigan.gov/estore or buy an annual or daily pass in person at a state park or at:

Gaylord Customer Service Center
1732 West M-32, Gaylord, MI 49735 • 989-732-3541

*This information comes from www.michigan.gov/dnr.
