(Gaylord) Since their opening in late 2021, investing in the local community has been a priority for Gaylord's newest hotel, the Comfort Inn & Suites/MainStay Suites. As a pet-friendly lodging property, they are honored to have the opportunity to support the Otsego County Animal Shelter.

The property proudly plans to donate 10% of collected pet fees annually, which totaled \$2,500 for their first full year of operation in 2022 and again in 2023. The Otsego County Animal Shelter was presented with the donation in early-April.

"Giving back to the community is essential to make sure our guests, employees and the community itself are safe and well cared for now and always. I'm thankful our local ownership is so involved in investing back into our community and dedicated to the sustained support for our local animal shelter. We love hosting our guests who bring their furry friends

with them and take pride in supporting the animals locally that need a loving hand," commented Collin Wilson, General Manager.

Comfort Inn & Suites is part of the Choice Hotels family and MainStay Suites is Gaylord's only extended stay hotel. Located at 831 West Main Street, this pet-friendly property caters to both long and short term stays for visitors to Gaylord and the surrounding area.
